The cleanup was able to happen thanks to the forethought of Riki, 4X4NJ, to have paper (log) backups. Steve states in case some other errors in band or mode were missed, he will be happy to accept requests for log checks from anyone who still sees a discrepancy. Steve's E-mail address is: N3SL@aol.com Cards are still on track to be delivered to the group at Friedrichshafen (the last weekend of June), so Steve expects the N.A. batch to arrive stateside in mid-July.
